

## Global Clinical Supplies Group 2022 US Conference Exhibitor & Sponsorship Agreement

Thank you for your interest in exhibiting and/or sponsoring at the Global Clinical Supplies Group (GCSG) 2022 US Annual Conference. The objective of the GCSG conference is to provide a forum for the open exchange of ideas, regulatory updates, technological advances and information of a non-confidential nature related to clinical supply activities. We strive to promote closer professional relationships among personnel engaged in clinical supply activities as well as between the clinical supply group and other segments of the pharmaceutical/biotechnology industry.
